

Everyone has a story...What's your story?

The Native Village of Eyak will offer a chance for individuals to create and share their own personal

Health, Wellness, or Sobriety Stories

by offering a Digital Storytelling workshop during the 17th Annual Sobriety Celebration.

This workshop will be held November 10-12, 2010.

Space in the workshop is limited to 10 participants, so contact either Jackie Ladd at 424-7738 or Jeanna VanBrocklin at 424-3622 for more information and to reserve your spot.
