

Hand-Me-Down

The mission of the Hand-Me-Down program is to re-gift the exchange of clothing from one child to another, to ensure that the children of our community have a place to trade their out-of-grown clothes for new/used clothing.

You've Got To Grow A Little, To Give A Little

Every year the same child out grows \$1,000 of clothes, toys & equipment , although, many of these items are still in good condition, parents must replace them with expensive new ones. With the Hand-Me-Down programs we can save a little by giving a little.
